GRAZIELLA®

ORIGINALE DAL 1964

La Graziella conquistò subito le personalità più significative degli anni '60. Brigitte Bardot, icona della sensualità femminile del tempo, fu protagonista di una campagna pubblicitaria che definì la Graziella "La Rolls Royce di Brigitte Bardot" ammiccando all'auto inglese per sottolinearne la robustezza e la cura estetica. Anche lo spirito anticonformista e surrealista di Salvador Dalí subì il fascino della Graziella, pratica ed elegante. Il celebre pittore, scultore, scrittore, cineasta e designer spagnolo venne ritratto mentre trasportava alcune sue opere a fianco della sua inseparabile Graziella.

Graziella immediately gained the most significant personalities of the 60's. Brigitte Bardot, icon of the female sensuality of those years, was the protagonist of an advertising campaign which entitled Graziella as "the Rolls Royce of Brigitte Bardot", winking at the English car to underline the resilience and the aesthetic care. Also the nonconformist and surrealist spirit of Salvador Dalí experienced the Graziella charm, practical and smart. The famous Spanish painter, sculptor, writer, filmmaker and designer was portrayed when he was carrying some of its works close to its inseparable Graziella.
